Why would your **BUSINESS** want a **BROKER** rather than an agent?

West Coast Insurance Brokers is different than your typical agency . We put our client's best interests at heart.

We shop all the insurance companies - many you won't have access to - and find the most competitive rates and coverage.

How We Go Above & Beyond

- 24/7 Customer Service
- Advocates on your audits
- Sends updates to CCB on your behalf
- Assist with paperwork
- Updates to endorsements & Certificates

Sophia Adams
President

Get in touch with West Coast Insurance Brokers today!
Take advantage of our **FREE** gift cards for referring your friends.
(Upon your referral starting coverage.)

Timber Management Services

Coos Bay, Or.

Bid Date/Time: 3/7/23 3:00pm

Contact: Sam Nelson

Phone: 541-269-1181 ext.2206

E-Mail: snelson@coosbay.org

Description: The city of Coos Bay is requesting Statement of Qualifications from individuals or firms, as consulting foresters to provide miscellaneous timber management services for the city. The city will compile a list of no less than two qualified consultants that will assist with the miscellaneous projects equally between the selected consultants, however, each project will be assigned to the qualified consultant on the basis of the project requirements, firm's expertise, and experience and not necessarily on a rotational basis. The term of the first contract is proposed to be for a four-year period with an option to extend for an additional two years at the City's discretion.

Southeast Area Plan Pump Station

Bend, Or.

Bid Date/Time: 3/7/23 3:00pm

Pre-Bid: Mandatory 2/15 9am online

Contact: Dan Galanaugh

Phone: 541-323-8570

Email: dgalanaugh@bendoregon.gov

Description: This project will be completed using a Progressive Design-Build alternative procurement process. The major components of the proposed improvements include the following;

1. Public sewer pump station;
2. Force main connection to the existing City collection system; and
3. Collection gravity mains.

The purpose of this Project is to increase sanitary sewer system capacity, efficiency, and serviceability within the City and the Southeast Area of the City's UGB. The Project will provide for future sewer service to properties within the SEAP and adjacent developments.

Concrete Scanner (GPR)

Our concrete scanner is one of the newest tools we have at Viking Concrete Cutting. Using ground penetrating radar (GPR) we have the ability to scan up to 20 in. deep in many different surfaces. We can locate things such as rebar, post tension cables, conduit and many other things. With this state of the art equipment and over 20 years of construction knowledge we are sure we can provide you safe and accurate answers with every scan we do.

- Metal conduits and rebar
- ◆ Plastic conduits
- Bottom of slab

Call us to discuss your upcoming projects.
