Why would your BUSINESS want a BROKER rather than an agent?

West Coast Insurance Brokers is different than your typical agency . We put our client's best interests at heart.

We shop all the insurance companies - many you won't have access to - and find the most competitive rates and coverage.

How We Go Above & Beyond

- 24/7 Customer Service
- Advocates on your audits
- Sends updates to CCB on your behalf
- Assist with paperwork
- Updates to endorsements & Certificates

IT Equipment & Services

Bend, Or.

Bid Date/Time: 3/13/23 10:00am

Contact: Amy Coronado

Phone: 541-355-1134

E-Mail: amy.coronado@bend.k12.or.us

Addendum:1

Description: Bend-La Pine Schools is requesting proposals from qualified Firms to support the need for IT Equipment and services. The Network Equipment is an update to existing equipment and therefore should be like brand or equivalent to the equipment needing replacement.

Emigrant Creek Road Resurface

Jackson Co. Or.

Bid Date/Time: 3/13/23 5:00pm

Contact: Anita Macauley

Phone: 503-808-6717

E-Mail: amacauley@blm.gov

Description: Subgrade preparation of approximately 5.98 miles on Emigrant Creek road which includes: grading and reshaping of road subgrades and scarifying potholes to a depth of 6" inches, end hauling excess waste material to designated areas, watering and compacting subgrade

as well as cleaning 9 cattleguards, cleaning catch-basins and outlets at 47 culvert location to maintain and fix any drainage issues, reestablishing and opening ditches and correcting drainage patterns and road side brushing at 6 feet each side and a height of 14'. Aggregate surfacing of approximately 5.98 miles on Emigrant Creek Road which includes: loading, hauling, placing, watering, grading, and compacting crushed aggregate to a depth of 6" inches on a 16' wide average prepared roadbed including turnouts, approaches, and curve widening.

Lane Events Center Door Replace

Eugene, Or.

Bid Date/Time: 3/14/23 1:00pm

Pre-Bid: Mandatory 3/1 10am at the Lane Events Center Convention Center.

Contact: Ashleigh Riolo

Phone: 541-682-6699

E-Mail: mailto:ashleigh.riolo@lanecountyor.gov

Description: Convention Center interior door and hardware replacement of fire rated doors. Note doors are tied into the building fire alarm system and the work includes associated electrical and low voltage work. Work also requires coordination with a separate access control upgrade project being run by Owner that affects some of the doors/hardware being replaced as well as other doors in the facility. Additionally, there is a roll down door for which emergency egress controls are to be added.

Viking
CONCRETE CUTTING INC.

Concrete Scanner (GPR)

Our concrete scanner is one of the newest tools we have at Viking Concrete Cutting. Using ground penetrating radar (GPR) we have the ability to scan up to 20 in. deep in many different surfaces. We can locate things such as rebar, post tension cables, conduit and many other things. With this state of the art equipment and over 20 years of construction knowledge we are sure we can provide you safe and accurate answers with every scan we do.

Call us to discuss your upcoming projects.
