Why would your BUSINESS want a BROKER rather than an agent?

West Coast Insurance Brokers is different than your typical agency . We put our client's best interests at heart.

We shop all the insurance companies - many you won't have access to - and find the most competitive rates and coverage.

How We Go Above & Beyond

- 24/7 Customer Service
- Advocates on your audits
- Sends updates to CCB on your behalf
- Assist with paperwork
- Updates to endorsements & Certificates

Sophia Adams
President

Rogue River SD Capital Bond Projects

Rogue River, Or.

Bid Date/Time: 6/28/23 2:00pm

Contact: Patrick Lee

E-Mail: superintendent@roguevalley.k12.or.us

Description: On May 16, 2023, the Rogue River School District put forth a \$4.465 million capital school construction bond that was approved by voters. The District has also received an additional \$4 million in state match dollars under the OSCIM program. The total budget for the projects listed below is \$8.4 million. The District is seeking qualified owner's representation from design to final occupancy of the project.

The District intends to engage a single firm to collaborate with district leadership in overseeing the following areas:

- Developing RFPs for selecting engineering and architectural firms.
- Development of RFPs for contractor selection during the construction phase of the projects.
- Additionally, the district may utilize the services of CMG (Construction Management Group) for specific portions of the construction process, mainly the new junior high building. For smaller phases of the project, time and materials contracts may be utilized, single entry of elementary schools. Furthermore, the traditional lowest bidder selection process may be employed.

SSSP Treatment Plant Improvement Engineering

Klamath Falls, Or.

Bid Date/Time: 6/28/23 3:00pm

Pre-Bid: 5/30 9am at the District's Office, 2201 Laverne Ave. Klamath Falls, Or.

**Woodley Island 2023
Maintenance Dredging**

Humboldt Bay, Ca.

Bid Date/Time: 6/30/23 4:00pm

Contact: Chris Mikkelsen

Phone: (707) 443-0801 ext.123

E-Mail: cmikkelsen@humboldtby.org

Description: The work consists of maintenance dredging of Woodley Island Marina and dredged material disposal. Work includes regulatory submittals, dredging activities, and reporting. Regulatory submittals include the production of a Dredge Operations Plan and reporting requirements. Dredging activities include using bucket excavator, or crane with closed clam shell, to remove sediment from WIM for final placement. Dredging will remove between 64,753 and 78,826 cubic yards of material from WIM as shown in the plan set. Final dredged material placement is assumed to occur at the Humboldt Open Ocean Disposal Site.
