Why would your BUSINESS want a BROKER rather than an AGENT?

West Coast Insurance Brokers is different than your typical agency. We put our client's best interests at heart. We shop all the insurance companies—many you won't have access to—and find the most competitive rates and coverage.

How We Go Above & Beyond

- 24/7 Customer Service
- Advocates on your audits
- Sends updates to CCB on your behalf
- Assist with paperwork
- Updates to endorsements & Certificates

Sophia Adams, President

We Specialize in Contractors Insurance

- Contractors License Bonds
- General Liability
- Payment Performance Bonds
- Commercial Auto Insurance
- Workers Compensation Insurance

West Coast
Insurance Brokers, Inc.

(CA - DBA Sophia Adams Insurance Services)

At West Coast Insurance Brokers, our mission is to redefine the insurance experience. As President and an active broker, I founded this company with a belief in going beyond mere sales to empower individuals and businesses through personalized insurance solutions. We are dedicated to navigating the complex world of insurance, tailoring our services to meet the unique needs of each client. Our commitment extends beyond transactions; we cultivate an environment where our team members thrive and where customers feel supported, educated, and empowered. By prioritizing assistance over sales quotas, we strive to build lasting relationships built on trust, expertise, and genuine care.

WELCOME OUR NEWEST MEMBER!

The University seeks to create a welcoming hub for the science programs that are centered around justice, equitable and regenerative values, capturing the spirit of Humboldt. This Science Renovation project will target select renovations within the existing Science A building per Phasing Strategy 3 as described in the Science Complex ABCD Feasibility Study. This strategy includes two project scenarios; Tier 3-a as the basis of the scope of work with an add alternate scope of work, Tier 3-b. The renovations will include lab casework, fume hood upgrades, related MEP revisions along with architectural finishes and addressing accessibility

NW Cedar & Birch Improvements

3/25/25
2:00pm

Contact: Hayes McCoy
Phone: 541-923-7554

Redmond, Or.

Description: The NW Cedar and Birch Improvements includes replacing aging steel water main to improve resiliency of our water system on NW Cedar Avenue and NW Birch Avenue between NW 6th Street and NW 10th Street. The Project also includes the installation and replacement of sidewalks, ADA ramps and some driveways along NW Cedar Avenue and NW Birch Avenue. This will increase safety and mobility in the area, which is a well-used school route to John Tuck Elementary School. Construction is anticipated to occur entirely within the existing public right-of-way. The City estimates the cost of improvements at \$1,981,700.
