Why would your BUSINESS want a BROKER rather than an AGENT?

West Coast Insurance Brokers is different than your typical agency. We put our client's best interests at heart. We shop all the insurance companies—many you won't have access to—and find the most competitive rates and coverage.

How We Go Above & Beyond

- 24/7 Customer Service
- Advocates on your audits
- Sends updates to CCB on your behalf
- Assist with paperwork
- Updates to endorsements & Certificates

Sophia Adams, President

We Specialize in Contractors Insurance

- Contractors License Bonds
- General Liability
- Payment Performance Bonds
- Commercial Auto Insurance
- Workers Compensation Insurance

(CA - DBA Sophia Adams Insurance Services)

At West Coast Insurance Brokers, our mission is to redefine the insurance experience. As President and an active broker, I founded this company with a belief in going beyond mere sales to empower individuals and businesses through personalized insurance solutions. We are dedicated to navigating the complex world of insurance, tailoring our services to meet the unique needs of each client. Our commitment extends beyond transactions; we cultivate an environment where our team members thrive and where customers feel supported, educated, and empowered. By prioritizing assistance over sales quotas, we strive to build lasting relationships built on trust, expertise, and genuine care.

WELCOME OUR NEWEST MEMBER!

Pre-Bid: Non-Mandatory 3/4
2pm Redwood Elementary
School at 3163 Leonard Road,
Grants Pass, OR

Grants Pass, Or. **Description:** The seismic retrofit of Redwood Elementary School includes the rehabilitation to the existing lateral system components in order to meet the requirements for "Immediate Occupancy" as outlined in ASCE 41-17. This will be accomplished by adding to or altering the existing structure and lateral load path to the building foundation. The roof projects at Grants Pass High School involves the removal of existing failing builtup roofing systems for install of new membrane roof systems and areas of new roof structures. This is multiple projects under the same CM/GC procurement. The District may select more than one contractor for this listing.

2025 Highlands Park Conceptual Plan

3/24/25
2:00pm

Contact: Mike Upston
Phone: (541) 826-4212, ext. 111
E-Mail: mikeupston@cityofeaglepoint.org

Eagle Point, Or. **Description:** The City of Eagle Point is requesting proposals from qualified consultants to prepare a Highlands Park Conceptual Plan. The process will include the development of preliminary concepts to be discussed with the community. It will evolve into selecting active and passive park uses and amenities such as parking, seating, restrooms, signage, and other features as determined during the design process. The final deliverable will provide the City with a detailed conceptual plan to be used for making decisions on implementation, estimating costs, submitting grant applications, and completing construction documents.

2. Implement temporary erosion and sediment control measures.
3. Perform weed control management.
4. Implement temporary water management plan.
5. Install box culvert and wing wall.
6. Construct MSE retaining wall.
7. Construct water main and sanitary sewer main.
8. Construct engineered streambed.
9. Place aggregate base and asphalt concrete pavement.
10. Install and secure concrete barrier.

Concrete Scanner (GPR)

Our concrete scanner is one of the newest tools we have at Viking Concrete Cutting. Using ground penetrating radar (GPR) we have the ability to scan up to 20 in. deep in many different surfaces. We can locate things such as rebar, post tension cables, conduit and many other things. With this state of the art equipment and over 20 years of construction knowledge we are sure we can provide you safe and accurate answers with every scan we do.

Call us to discuss your upcoming projects.

NW Cedar & Birch Improvements

3/25/25
2:00pm

Redmond, Or.

Contact: Hayes McCoy
Phone: 541-923-7554

Description: The NW Cedar and Birch Improvements includes replacing aging steel water main to improve resiliency of our water system on NW Cedar Avenue and NW Birch Avenue between NW 6th Street and NW 10th Street. The Project also includes the installation and replacement of sidewalks, ADA ramps and some driveways along NW Cedar Avenue and NW Birch Avenue. This will increase safety and mobility in the area, which is a well-used school route to John Tuck Elementary School. Construction is anticipated to occur entirely within the existing public right-of-way. The City estimates the cost of improvements at \$1,981,700.

PW25-JOC Cal Poly Humboldt

4/9/25
3:00pm

Contact: Addie Dunaway
Phone: (707) 826-3304
E-Mail: aes151@humboldt.edu

Pre-Bid: Non-Mandatory 3/18 10am via Zoom

Arcata, Ca.

Addendum:2

Description: This Notice to Contractors is for the award of a two (2) Job Order Contracts (JOC), which is a competitively bid, firm fixed priced, indefinite quantity contract. The Contract scope of work includes a collection of detailed repair and construction tasks and specifications that have established unit prices. It is awarded to the "Contractor" for the accomplishment of repair, alteration, modernization, maintenance, rehabilitation, demolition and construction of infrastructure, buildings, structures, or other real property. The University issues to the Contractor discrete, fixed-price task or job orders, as needed, under the contract. Under the JOC concept, the Contractor furnishes all management, documentation, labor, materials, and equipment needed to perform the work.

BLM Gerber Recreation Area Repairs

4/16/25
12:30pm
