Why would your BUSINESS want a BROKER rather than an AGENT?

West Coast Insurance Brokers is different than your typical agency. We put our client's best interests at heart. We shop all the insurance companies—many you won't have access to—and find the most competitive rates and coverage.

How We Go Above & Beyond

- 24/7 Customer Service
- Advocates on your audits
- Sends updates to CCB on your behalf
- Assist with paperwork
- Updates to endorsements & Certificates

Sophia Adams, President

We Specialize in Contractors Insurance

- Contractors License Bonds
- General Liability
- Payment Performance Bonds
- Commercial Auto Insurance
- Workers Compensation Insurance

(CA - DBA Sophia Adams Insurance Services)

At West Coast Insurance Brokers, our mission is to redefine the insurance experience. As President and an active broker, I founded this company with a belief in going beyond mere sales to empower individuals and businesses through personalized insurance solutions. We are dedicated to navigating the complex world of insurance, tailoring our services to meet the unique needs of each client. Our commitment extends beyond transactions; we cultivate an environment where our team members thrive and where customers feel supported, educated, and empowered. By prioritizing assistance over sales quotas, we strive to build lasting relationships built on trust, expertise, and genuine care.

PREFABRICATED WALL PANELIZING

WHY CHOOSE PREFABRICATED WALLS?

COST EFFICIENCY:
Reduce labor expenses,
especially on prevailing
wage projects

FASTER COMPLETION:
Significantly accelerate
construction schedules

**WEATHER-PROOF
PRODUCTION:**
Indoor production
continues regardless of
outdoor conditions

COMPREHENSIVE SOLUTIONS

- Full framing packages
- Customized wall solutions
- Detailed engineering and design
- Delivery directly to your construction site
- Quality guaranteed

CONTACT: 541-343-0999

35+ years of construction excellence. Every panel personally detailed by Peter Winberg. Superior craftsmanship when skilled labor is scarce.

Description: One Firm Fixed Price to be delivered to Elkton, OR for the supply of crushed aggregate, jaw run aggregate, and rip rap.

City of Medford Right of Way Landscape

5/30/25
11:00am

Contact: Tim Stevens
E-Mail: Timothy.stevens@cityofmedford.org

Medford, Or.

Description: The City of Medford s requesting landscaping services for six (6) locations within the City limits: Services needed but not limited to include: Temporary traffic control, fertilizing, application of pre and post emergent herbicides, pruning (shrubs, bushes, trees), garbage removal within the landscape sites, blowing/sweeping sidewalks, weed abatement, advise city staff of irrigation or other issues with each location.

Smoke House Construction

5/30/25
5:00pm

Contact: Charley Reed
Phone: 530-627-3446 ext 3029
E-Mail: creed@karuk.us

Happy Camp/
Orleans, Ca.

Description: Constructing a community smoke house and mesh racks in Orleans and Happy Camp, CA. Contractors may choose to bid solely on the construction of the smokehouses or to include educational resources—such as material supply lists, step-by-step instructions, blueprints, and similar materials. Proposals that incorporate the educational component will be given preference. Additionally, priority will be given to bidders who are able to construct smokehouses at both project locations. Responsibilities include purchasing materials necessary for the construction, developing educational resources, coordinating with Food Sovereignty Staff for site visit(s), communicating dates for construction, and constructing the smoke house and mesh racks. The scope of work includes purchasing appropriate materials (redwood/cedar lumber, drying racks, roofing materials, nails, screws, hinges, etc.), developing education resources (materials needed, step-by-step process, blueprint), attending planning meetings with site supervisors and Food Sovereignty staff, preparing (cleaning debris, leveling the ground) in the identified location and constructing the Smoke House.

North Medford High School Gym Rebuild CM/GC

6/3/25
2:00pm

Contact: Pam Thoren
Phone: 541-842-1118
E-Mail: Pam.Thoren@medford.k12.or.us

Pre-Bid: Non-Mandatory 5/14 11:30am Meet in the northeast parking lot nearest the gym at NMHS located at 1900 N. Keene Way, Medford OR

Medford, Or.

Description: The Medford School District has chosen the Construction Manager/General Contractor (CM/GC) project approach over the more traditional design-bid-build in order to obtain the earliest occupancy of the NMHS Gym at a Guaranteed Maximum Price (GMP). In addition, the project sequencing, scheduling and logistics required to complete the work within the earliest reasonable time can achieved by the CM/GC approach. It is the intent of the District to enter into a contract with the selected CM/GC, which will include pre-construction services with a GMP for the entire scope of work.

[Addendum:2](#)

Garden Valley Boulevard & Stewart Parkway Pavement & Curb Ramp

6/3/25
2:00pm

Contact: Paige Chadbourne
Phone: (971) 288-5606

Brownfield Cleanup at Western States Plywood Mill

6/19/25
5:00pm

Contact: Mike Rosen
E-Mail: mike@wildriverslandtrust.org

Pre-Bid: Non-Mandatory 6/5 2pm 93639 Elk River Road, Curry County OR

Port Orford, Or.

Description: This Request for Proposal (RFP) is being issued by Wild Rivers Land Trust (WRLT), whose mission is to keep the irreplaceable lands and waters of the southern Oregon coast forever wild and abundant. WRLT invites qualified firms to submit proposals to provide professional services, including but not limited to, environmental consulting services and cleanup activities, to be funded under its recently awarded FY23 Brownfields Cleanup Grant (Grant) from the US Environmental Protection Agency (EPA). This RFP is being issued in part to comply with Federal and State regulations.
The former Western States Plywood Cooperative Mill, a long-abandoned plywood mill that has been impacting the environment for over four decades. Most of the Site is relatively flat at an elevation of approximately 80 feet above sea level, totaling 17 acres. WRLT will lead the overall implementation and coordination of the project. Its responsibilities include managing timelines, budgets, and task execution; procuring and supervising the cleanup. The selected contractor will provide project management support, including documentation of cleanup activities and assistance with required EPA reporting.
