Why would your BUSINESS want a BROKER rather than an AGENT?

West Coast Insurance Brokers is different than your typical agency. We put our client's best interests at heart. We shop all the insurance companies—many you won't have access to—and find the most competitive rates and coverage.

How We Go Above & Beyond

- 24/7 Customer Service
- Advocates on your audits
- Sends updates to CCB on your behalf
- Assist with paperwork
- Updates to endorsements & Certificates

Sophia Adams, President

We Specialize in Contractors Insurance

- Contractors License Bonds
- General Liability
- Payment Performance Bonds
- Commercial Auto Insurance
- Workers Compensation Insurance

West Coast
Insurance Brokers, Inc.

(CA - DBA Sophia Adams Insurance Services)

At West Coast Insurance Brokers, our mission is to redefine the insurance experience. As President and an active broker, I founded this company with a belief in going beyond mere sales to empower individuals and businesses through personalized insurance solutions. We are dedicated to navigating the complex world of insurance, tailoring our services to meet the unique needs of each client. Our commitment extends beyond transactions; we cultivate an environment where our team members thrive and where customers feel supported, educated, and empowered. By prioritizing assistance over sales quotas, we strive to build lasting relationships built on trust, expertise, and genuine care.

WELCOME OUR NEWEST MEMBER!

Crazy Creek Fence Construction

7/30/25
10:00am

Contact: Chad A.T. Bullock
Phone: 208-373-4128
E-Mail: chad.bullock@usda.gov

Prineville, Or.

Description: This project consists of two parts: 1) the removal and disposal of old, damaged fence and subsequent construction of new fence – approximately 30 miles of 3 wire fence and 44 miles of 4 wire fence. 2) The maintenance of damaged fence back to functional condition – approximately 6 miles of 3 wire fence and 9 miles of 4 wire fence. The fence line right-of-way (ROW) corridor (four feet of either side of fence lines – eight feet total) needs to be cleared by the contractor before fence construction begins. Standing dead trees will need to be felled to reduce risk to fence line. Work consists of falling all standing dead 6" DBH and less for distance of 20' from centerline of fence each side. Standing dead larger than 6" DBH will be identified by government and paid per each. Fence material will be provided by the contractor.
